meeting of the BoD

July 8, 2020

7 PM. By telephone conference

Present: D O'Neil, G. Holt, H. Riensche, K. Whittenberger

President O'Neil called the meeting to order. Business focused on preparation for the Annual Meeting: agenda items, documents to be presented, explanations to be given.

Brief reports on road work and weed spraying were given. That work is progressing as weather permits.

There being no other business, the meeting was adjourned.

Mailed proxies must be received by Friday, July 17, 2020.

Due to lack of interest, perhaps due to COVID 19 concerns, there will be no picnic this year.
