Meeting of the Board of Directors
1 PM

Present: Daniel O'Neil, Gregory Holt, Jerry Bichsel, Harold Riensche and, by telephone, Kathleen Whittenberger

The meeting was called to order by President O'Neil. The Board discussed a number of issues concerning individual landowners.

The possibility of having a "drag" made to use on the roads in between professional grading was discussed and will be pursued, efficacy and cost to be determined.

Members expressed frustration with the state of the roads, cost to repair them and the Corporation's budget. This is expected to be a major topic of discussion at the next Annual Meeting.

It was reported that it appears that a number of members are taking advantage of the new online payment method.

There being no other business, the meeting was adjourned at 3:30.
