Meeting of the BoD
October 19, 2023
2:00 pm

Present: Dan O'Neil, Greg Holt, Harold Riensche, Kathleen Whittenberger
By telephone: Jerry Bichsel

The meeting was called to order by President O'Neil.

Ongoing issues involving landowners were discussed.

A lengthy discussion on upcoming roadwork followed. Because of the Corporation's limited budget and the continuing degradation of the roads due to excess speed of some vehicles using the roads, it was determined that this fall's roadwork would concentrate on areas needing work which are essential to allowing residents safe access to the ranch's entrances/exits. The area of Winding River Road where it is adjacent to the Yellowstone River is of primary concern.

Consternation over past due accounts of Landowners dues was expressed. It was agreed that calls would be made to be certain Landowners that bills were being received and to encourage prompt payment.

There being no other business, the meeting was adjourned at 3:25 pm.
